XXXVII. Showing, for 1911, as compared with 1901, the Number and Ages of Persons who spoke Irish only, and Irish and English, in each County District . . . 111

XXXVIII. Showing, for the County, by District Electoral Divisions, the Number of Educational Establishments—Primary and Superior—and also the Number, Ages, and Religious Professions of the Pupils and Students—distinguishing resident from non-resident, and showing the nature of Education received—in attendance thereat, during the week ending 13th May, 1911 112

XXXIX. Summary of Educational Establishments 114

XL. Showing, by Sexes, the Number and Proportion per cent. to the Population, under each Religious Profession, of Persons receiving Instruction in Educational Establishments in the County, as constituted at each of the Censuses from 1881 to 1911 114

EMIGRATION.

XLI. Emigration from the County during each year, from the 1st of May, 1851, to the 31st of March, 1911 115

CENSUS OF IRELAND, 1911.

COUNTY OF MEATH.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in previous Censuses, and give the following Summary of the results obtained respecting the (Administrative) County of Meath from the Census Returns of 1911.

SUMMARY.

Area.—The (Administrative) County of Meath covers an area of 579,320 statute acres, or 2·8 per cent. of the total area of the country.

Population (Table II.).—The number of persons in the County of Meath, according to the Census of 1901, was 67,497; and according to the recent Census, 65,091 (33,934 Males and 31,157 Females), or 3·56 per cent. less than in 1901.

County Districts (Table VI.).—The following Statement shows, by County Districts (as constituted under the Local Government (Ireland) Act, 1898), the number of persons in 1901 and 1911, and the increase or decrease during the decade:—

County Districts.	Population.		Increase or Decrease between 1901 and 1911.		
	1901.	1911.	Number.		Rate per cent.
			Increase.	Decrease.	
Kells Urban,	2,428	2,395	.	33	1·4
Navan Urban,	3,839	3,934	95	.	2·5
Trim Urban,	1,513	1,488	.	25	1·7
Ardee No. 2 Rural,	3,048	2,857	.	191	6·3
Dunshaughlin Rural,	7,979	8,085	106	.	1·3
Edenderry No. 3 Rural,	2,088	1,966	.	122	5·8
Kells Rural,	11,341	10,876	.	465	4·1
Meath Rural,*	6,683	6,167	.	516	7·7
Navan Rural,	10,711	10,396	.	315	2·9
Oldcastle Rural,†	5,407	5,174	.	233	4·3
Trim Rural,	12,460	11,753	.	707	5·7
Total,	67,497	65,091	..	2,406	3·6

* Formerly Drogheda No. 2. † Formerly Oldcastle No. 1.

From the foregoing Statement it will be observed that there was an increase in two County Districts, viz., 2·5 per cent. in Navan Urban and 1·3 per cent. in Dunshaughlin Rural; but a decrease in each of the remaining nine County Districts, ranging from 7·7 per cent. in Meath Rural and 5·8 per cent. in Edenderry No. 3 Rural, to 1·4 per cent. in Kells Urban and 1·7 per cent. in Trim Urban.

Families and Houses (Table VIII.).—The number of distinct Families in the County at the time of the late enumeration was 14,876, the average number of persons in a family being thus 4·3. The number of Inhabited Houses was 14,754, showing an average of 4·4 persons to each house. In calculating these averages the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 Rooms (Tables IX., X.).—The number of Occupiers (or heads of Families) in occupation of less than five rooms in 1911 was, 11,067, or 74·4 per cent. of the total number of Families in the County, and of these 4 were occupiers of part of a room only; 528, or 3·5 per cent. of the total number of Families in the County, were occupiers of one room; 2,719, or 18·3 per cent., occupiers of two rooms; 4,475, or 30·1 per cent., occupiers of three rooms; and 3,341, or 22·5 per cent., occupiers of four rooms.

The number of Tenements of One Room in the County was 530, comprising 269 cases in which the room had only one occupant; 201 where the room had 2, 3, or 4 occupants; 49 cases in which there were 5, 6, or 7 occupants; and 11 cases where the occupants exceeded 7 in number, including 2 cases of 10 persons, 2 cases of 11 persons, and one of 12 or more persons in the room.

Civic Areas.—Towns having, in 1911, a population of 2,000 and upwards, are classified as Civic Areas. The County contains two such Areas, viz., Kells and Navan. In 1901 the population of these areas amounted to 6,267. In 1911 it was 6,329, showing an increase of 62 persons, or 1·0 per cent.; but in the remainder of the County there was a decrease of 4·0 per cent.

Pauperism (Table XII.).—The number of persons returned in 1901 as receiving relief under the Poor Law System was 2,653, or one in every 25 of the population; of this number 910 were inmates of Workhouses, and 1,743 were in receipt of Outdoor Relief. In 1911 the number returned was 1,501, or one in every 43 of the population; 703 of these being in the Workhouses, and 798 on Outdoor Relief, which figure includes 22 children Boarded-out, and 10 in Certified Schools.

The Sick (Table XII.).—In 1901 the number of persons in the County of Meath, returned as Sick, on the night of the Census, was 584, or one in every 116 of the population. In 1911 the number so returned was 486, or one in every 134 of the population; of the latter number 208 were at their own homes, and 278 were in hospital.

Marriages, Births, and Deaths (Table XIV.).—For the purpose of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act; these Dispensary Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the returns of the Registrar-General, the number of Marriages registered in the County of Meath during the ten years ending the 31st March, 1911, was 2,878, equal to an average annual rate of 4·3 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 5·1 per 1,000.

The number of Births registered in the County during the ten years was 12,955, affording an average annual rate of 19·5 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·1 per 1,000.

The Deaths registered during the decennium amounted to 10,985, being equal to an average annual rate of 16·6 per 1,000; the corresponding rate for the whole of Ireland was 17·3 per 1,000.

Birthplaces of the Inhabitants (Table XXV.).—Of the persons enumerated in the County in 1911, 83·0 per cent. were born therein; 9·7 per cent. in other Counties of the Province of Leinster; 0·8 per cent. in Munster; 3·7 per cent. in Ulster; 0·9 per cent. in Connaught; 1·5 per cent. in Great Britain; and 0·4 per cent. were born abroad.

Religious Professions (Table XXIX.).—The following Statement shows, according to Religious Professions, the Inhabitants of the County of Meath in 1911:—

Religious Professions.	1911.	
	Number of Persons.	Per-centage of Total Population.
Roman Catholics,	60,660	93·2
Protestant Episcopalians,	3,945	6·1
Presbyterians,	350	0·5
Methodists,	55	0·1
All other Denominations (and Religion unascertained),	79	0·1
Information Refused,	2	0·0
Total,	65,091	100·

From the above Table it will be seen that of the total population of the County in 1911, 93·2 per cent. were Roman Catholics; 6·1 per cent. Protestant Episcopalians; 0·5 per cent. Presbyterians; and 0·1 per cent. Methodists. In 1901 Roman Catholics formed 92·8 per cent.; Protestant Episcopalians, 6·5 per cent.; Presbyterians 0·5 per cent.; and Methodists, 0·1 per cent. of the population of the County.

Education (Tables XXX. and XXXIII.).—In reckoning the number of Illiterates, the age of 9 years has now been substituted for the age of 5, which was formerly adopted.

On this basis the details of population, aged 9 years and upwards, for this County are:—

	Population, 9 years and upwards.	
	Numbers.	Proportion per cent.
Read and Write,	48,182	88·9
Read only,	1,745	3·2
Illiterate,	4,312	7·9
Total,	54,239	100·

For comparative purposes the figures for those between the ages of 5 and 9, who can read and write, are shown in Table XXX.

It is satisfactory to note that had the earlier age of five been taken as the starting point on this occasion, as in former years, it would have appeared that the per-centage of those unable to read or write, which was 16·3 in 1891, and 12·5 in 1901, had fallen to 10·5 in 1911.

Irish Speaking Population (Tables XXXVI. and XXXVII.).—The number of persons in the County of Meath, returned as being able to speak the Irish Language in 1911 was 2,447, representing 3·8 per cent. of the total population of the County.

Table XXXVI. gives for the first time, by District Electoral Divisions, the information available regarding the Irish-speaking portion of the population; while Table XXXVII. shows, by County Districts, the numbers in 1911, as compared with those returned in 1901.

School Attendance (Table XXXVIII.).—The number of pupils attending school in the County of Meath, according to the Census of 1901 (week ending 11th May), was 9,806. In 1911 the number returned (for week ending 13th May) was 9,841.

Emigration (Table XLI.).—The number of Emigrants during the ten years ending 31st March, 1911, who stated that they were from the County of Meath, amounted to 3,416 (1,817 Males and 1,599 Females); the number for the decade ending 31st March, 1901, was 4,358; for that ending with March, 1891, 11,264; for that ending with March, 1881, 10,521; for that ending with March, 1871, 15,557; and for that ending with March, 1861, 23,297; making a total of 68,413 for the sixty years.

WILLIAM J. THOMPSON, *Registrar-General,*

(a) The Civic Areas comprise all Municipal Boroughs, Urban Districts, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described :—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, Its extent, as shown by the number of rooms ; 2nd, its quality, as shown by the number of its windows ; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window ; in the third a better description of house, varying from one to four rooms and windows ; in the second, what might be considered a good farm house, having from five to nine rooms and windows ; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz :—

First Class accommodation, consisting of 1st class houses occupied by one family.

Second Class accommodation, consisting of 2nd class houses occupied by one family, or of 1st class houses occupied by two or three families.

Third Class accommodation, comprising 3rd class houses with one family each, or second class houses with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

* Schools in which a foreign language is taught have been classed as "Superior" upon the assumed likelihood that the presence of a foreign language in a school course argues a higher standard of general instruction than is to be found where such an element is wanting.
(*a*) The "Natherville Institute" (Mellifont).
(*b*) "Drogheda, Dunshaughlin, Kells, Navan and Trim Joint District Poor Law Union School" (Trim).
(*c*) "Preston School" (Navan).

TABLE XL.—Showing, by SEXES, the Number and Proportion per cent. to the Population, under each RELIGIOUS PROFESSION, of Persons receiving INSTRUCTION in EDUCATIONAL ESTABLISHMENTS in the County of MEATH as constituted at each of the Censuses from 1881 to 1911.
